

MN SEI has partnered with Profile!

Half off memberships for MN SEI Members & their family members!

What is Profile by Sanford?

Profile by Sanford is a comprehensive weight management program designed by Sanford Health physicians and scientists, as a Simple, Effective & Sustainable solution. The program utilizes a Certified Profile Coach and offers integrated complementary technology to directly connect the coach and the member throughout their journey. Clinical & Scientific protocols have been designed to assist the coach in implementing an individualized plan for each member. The plan is designed with a focus on Nutrition, Activity & Lifestyle adaptations required for short and long-term success.

Because you are a valued member of MN SEI, you will receive the following benefits:

- Initial one-year Profile membership-\$150.00 (Normally \$300.00)
- Smart Body Scale included in membership
- 20% discount on all food products throughout membership
- Personal Profile page online and on smart phone which allows members to track their progress throughout the program
- 1:1 meetings with a Certified Profile Coach to guide members throughout their weight loss journey
- Any spouse or family member of an employee will receive the same benefits for an additional \$95.

To learn more about the program visit **www.profileplan.net** or call the Profile store at 1-877-373-6069. Profile holds free seminars throughout the week; which provide an overview of the program and the opportunity to schedule a free one-on-one consultation with a Certified Profile Coach to develop a plan specifically for you.
